09. Move...

## 9. Move...

Marie-Celeste has sent you a message, the 20th of April at 12 :26. Subject : Hello Pastor, I like very much to listen to you on the radio or on the web sites like enseignemoi.com. I was born again in 2006 after a divorce, then, deep depression. At that time, I wanted to die. And then, I met a christian, I followed a Bible Study, I was baptized after 6 years of doubting. I am someone of the followers of Descartes, and my life has not been a long quiet river, I would rather say, a current of turmoil that I must hold on to in order not to drown. I had hoped that my life would get back together after becoming a christian and that GOD would transform my life, that was 6 years ago.

To this day, I am still living in loneliness, no husband, in a small apartment, with an old car, without work ! and on welfare ! I still love God and His Word but I have given up... waiting has dried my bones and my FAITH. Yet I prayed, begged, waited, hoped BUT NOTHING THAN DESERT... I think this comes from me !  
Something is wrong BUT WHAT ? Pastor, THANK YOU for answering me if you have the time !

Marie-Celeste Martin

Dear Marie-Celeste,

After reading your letter, I have counsel to give you :  
Move !

I see that Marie-Celeste live on the "street of complaints" I also lived there for some time. And I never did well ! The air was unhealthy, the house was unhealthy, the water was unhealthy, the birds never sang, and I , was always sad and in a bad mood...

But, I moved... I went to live at "street of recognition" and since then, I am well, my family also.

RUE  
de la  
RECONNAISSANCE

The air is pure, the water is pure, the home is healthy and exposed to the sun ! The birds sing, and I am happy from morning to evening ! So then ! I have a counsel to give to you : It is for you to move too !

There are many houses to rent on the "street of recognition" and if you want to come, I am sure you will be transformed ! And I will be very happy, to have you for a neighbor ! And, you will see that even in a small apartment, on the street of recognition, you will always have enough room to welcome different people !

Your old car will always be a big help for those that you will carry ! With joy you will soon find good health !

Let us reflect more often on the many gifts that God has given us. Rather than complaining about what we lack or on what is wrong, let us make efforts to count our blessings ; “We can only confirm that God is love !” The Apostle Paul tells us in his letter to the Philippians chapter ‘ verses 12&13 : I know how to live in prosperity. In any and every circumstance I have learned the secret of being filled and going hungry, Both of having abundance and suffering need. I can do all things through Him who strengthens me. The King David in Psalms 103 verse 2 says : Bless the Lord, O my soul, And forget none of His benefits !

Greetings in Jesus Christ
